1. CONTENTS AND ORDER OF PRECEDENCE: This Order integrates, merges, and supersedes any prior offers, negotiations, and agreements concerning the subject matter hereof and constitutes the entire agreement between the Parties and shall govern the performance and/or delivery of Items and/or Services provided pursuant to the Order. Seller expressly represents that in accepting this Order it does not rely and has not relied upon any written or oral representation, warranty, or statement not set forth in the Order and that it will not have any right or remedy rising out of any representation, warranty, or other statement not expressly set out in this Order. The clauses of this Order shall be construed and interpreted as consistent whenever possible. Any conflicts in this Order shall be resolved by giving precedence in the following order:

(a) the Purchase Order;

(b) these Terms and Conditions (which are incorporated by reference in any Purchase Order issued hereunder); and

(c) the Statement of Work, Specifications, or Requirements.

These Terms and Conditions shall be construed and interpreted as consistent whenever possible. In the event of a conflict in the Articles contained in Item 1 and applicable clauses contained in Item 2, the applicable clauses in Item 2 shall control to the extent necessary for Buyer to comply with Buyer’s Government Contract. No other clause or provision supersedes the FAR and DFARS clauses applicable to Buyer’s Government Contract.

2. ACCEPTANCE OF THIS ORDER: Any of the following acts by Seller shall constitute acceptance of this Order:

For unrated Orders, Seller shall sign and return the Order acceptance copy within ten (10) days after receipt.

3. ALLOWABLE COST AND PAYMENT:

(a) Except as provided in this Article, payment will be made in accordance with FAR 52.216-7, Allowable Cost and Payment. “Buyer” replaces “Government” or “United States” throughout the clause, except in paragraphs (a)(3) and (b)(1)(ii)(F) where “and Buyer” is inserted after “Government.” Substitute “Buyer’s Representative” for “Contracting Officer,” “Administrative Contracting Officer,” and “ACO” throughout the clause except in paragraph (g) where “or Buyer’s Representative” is inserted after “Contracting Officer.” For purposes of final indirect cost rate determinations in paragraph (d), the term “cognizant Federal Agency official” and “appropriate Government representative” maintain their original meaning. Subparagraphs (b)(4) and paragraph (f) are deleted. In subparagraph (b)(2)(ii)(B), the term “6 years” is deleted and replaced with the term “5 years, 9 months.” The blank in subparagraph (a)(3) is filled-in with the word “30th,” unless otherwise specified in the Order.
(b) Payments. Payment shall be made in accordance with the Purchase Order. Each payment made shall be subject to reduction to the extent of amounts which are found by Buyer, Buyer’s Customer, or Seller not to have been properly payable. Seller shall promptly notify Buyer of any overpayments and remit the overpayment amount to Buyer along with a description of the overpayment, including the circumstances of the overpayment, affected Order and delivery order number if applicable, and affected Order line item or subline item if applicable. Buyer, and any affiliate of Buyer, may withhold, deduct, and/or setoff all money due, which may become due, from Buyer or any affiliate of Buyer, arising out of Seller’s performance under this Order or any other transaction Buyer and its affiliates may have with Seller.

(c) Total cost. Buyer shall not be obligated to pay Seller for amounts in excess of the Funded Value of this Order as set forth on the face of the Order or any duly authorized modifications. If at any time Seller has reason to believe that the costs that will accrue in performing this Order in the next succeeding sixty (60) days, if added to all other payments and costs previously accrued, will exceed seventy-five percent (75%) of the Funded Value of the Order, Seller shall immediately notify Buyer to that effect and shall provide a current estimate for completion. If the estimate is greater than the Funded Value, the estimate for completion shall contain the costs to date, estimate to completion and total together with supporting reasons and documentation. Seller is not obligated to continue performance under this Order or otherwise incur costs in excess of the Funded Value of this Order until Buyer notifies Seller in writing that the Funded Value has been increased. If after Seller’s notification additional funds are not allotted to the Funded Value of this Order within sixty (60) days, Seller will terminate this Order in accordance with the provisions of the Terminations clause of this Order. If Seller estimates that the funds available will allow it to continue to discharge its obligations beyond that date, it may specify a later date in a request, and Buyer may terminate this Order on that later date.

(d) No subcontract placed under this Order shall provide for payment on a cost-plus-a-percentage-of-cost basis, and any fee payable under cost-reimbursement subcontracts shall not exceed the fee limitations in paragraph 15.404-4(c)(4)(i) of the FAR.

(e) If Seller, its subcontractor, or prospective subcontractor at any tier fails to submit accurate, complete and current cost or pricing data, and as a result of that failure, the government reduces Buyer’s prime contract, Buyer may recover from Seller an amount equal to the reduction as well as any other costs incurred including attorney’s fees.

4. FEE:

(a) Fixed Fee:

   (a) If applicable, Buyer shall pay Seller for performing this Order the fixed fee specified in the Order.

   (b) Payment of the fixed fee shall be made as specified in the Order; provided, that after payment of eighty-five percent (85%) of fixed fee, Buyer may withhold further payment of fee until a reserve is set aside in an amount that Buyer considers necessary to protect the Buyer’s interest. This reserve shall not exceed fifteen percent (15%) of the total fixed fee or $100,000, whichever is less.

(b) Incentive Fee: If applicable, Buyer shall pay Seller for performing this Order an incentive fee determined as follows:

   (a) Target Cost and Target Fee. The Target Cost and Target Fee specified in the Order are subject to adjustment if the Order is modified in accordance with subparagraph (b)(3) of this clause.

      (i) “Target Cost,” as used in this Order, means the estimated cost of this Order as initially negotiated, adjusted in accordance with paragraph (b)(4) of this clause.

      (ii) “Target Fee,” as used in this Order, means the fee initially negotiated on the assumption that this Order would be performed for a cost equal to the estimated cost initially negotiated, adjusted in accordance with subparagraph (b)(3) of this clause.

(b) Withholding of payment. Normally, Buyer shall pay the fee to Seller as specified in the Schedule. However, when Buyer considers that performance or cost indicates that Seller will not achieve target, Buyer shall pay on the basis of an appropriate lesser fee. When Seller demonstrates that performance or cost clearly indicates that Seller will earn a fee significantly above the Target Fee, Buyer may, at the sole discretion of Buyer, pay on the basis of an appropriate higher fee. After payment of eighty-five percent (85%) of the applicable fee, Buyer may withhold further payment of fee until a reserve is set aside in an amount that Buyer considers necessary to protect Buyer’s interest. This reserve shall not exceed fifteen percent of the applicable fee or $100,000, whichever is less.

(c) Equitable adjustments. When the work under this Order is increased or decreased by a modification to this Order or when any equitable adjustment in the Target Cost is authorized under any other clause, equitable adjustments in the Target Cost, Target Fee, minimum fee, and maximum fee, as appropriate, shall be stated in a supplemental agreement to this Order.

(d) Fee payable.

   (i) The fee payable under this Order shall be the Target Fee increased by [insert] cents for every dollar that the total allowable cost is less than the Target Cost or decreased by [insert] cents for every dollar that the total allowable cost exceeds the Target Cost. In no event shall the fee be greater than [insert] percent of the Target Cost or less than [insert] percent of the Target Cost.

   (ii) The fee shall be subject to adjustment, to the extent provided in subparagraph (b)(3) of this clause, and within the minimum and maximum fee limitations in paragraph (b)(4)(i)(1) of this clause, when the total allowable cost is increased or decreased as a consequence of—

      (a) Payments made under assignments; or

      (b) Claims excepted from the release as required by paragraph (h)(2) of FAR 52.216-7, Allowable Cost and Payment.

   (iii) If this Order is terminated in its entirety, the portion of the Target Fee payable shall not be subject to an increase or decrease as provided in this paragraph. The termination shall be accomplished in accordance with other applicable clauses of this Order.

   (iv) For the purpose of fee adjustment, “total allowable cost” shall not include allowable costs arising out of—

      (A) Any of the causes covered by Article 17 “Delays and Notice of Labor Disputes” to the extent that they are beyond the control and without the fault or negligence of Seller or any subcontractor of Seller;

      (B) The taking effect, after negotiating the Target Cost, of a statute, court decision, written ruling, or regulation that results in Seller’s being required to pay or bear the burden of any tax or duty or rate increase in a tax or duty;

      (C) Any claim, loss, or damage resulting from a risk for which the Seller has been relieved of liability by Article 34 “Furnished Property”; or

      (v) All other allowable costs are included in “total allowable cost” for fee adjustment in
and conditions of any separately executed and applicable Non-Disclosure
written agreement, Buyer shall have the right to use, for any purpose,
information concerning Seller's items, manufacturing methods or processes
include the date on which the bankruptcy petition was filed and the identity of
mail written notification of the bankruptcy to Buyer. This notification shall
bankruptcy, whether voluntary or involuntary, Seller shall furnish by certified
by Seller without the prior written consent of Buyer. Seller shall not
by Seller's subcontracts and assignees, if any. Seller further agrees to select subcontractors (including vendors or suppliers) on a
competitive basis to the maximum practical extent consistent with the
objectives and requirements of this Purchase Order. Seller shall remain
primarily responsible for the performance of obligations which it subcontracts
hereunder and shall reasonably supervise such work. However, Seller may
assign rights to be paid amounts due, or to become due, to a financing institution if Buyer is promptly furnished a signed copy of such assignment reasonably in
advance of the due date for payment of any such amounts. Amounts assigned
to an assignee shall be subject to setoffs or recoupment for any present or future
claims of Buyer against Seller. Buyer shall have the right to make settlements and adjustments in price with Seller without notice to the assignee. Seller shall
give Buyer immediate written notice of any action or suit filed and prompt
notice of any claim made against Seller by any subcontractor or vendor that, in
the opinion of Seller, may result in litigation related in any way to this Order,
with respect to which Seller may be entitled to reimbursement from Buyer.
Buyer may assign this Order, at no cost to Buyer, to any affiliated company, any
successor in interest, or Buyer’s Customer.

7. AUDIT, INSPECTION OF RECORDS: Buyer and Buyer’s Customer, including the Government and regulatory authorities, if Buyer agrees with the customer’s request to audit Seller’s records or Buyer is otherwise
obligated to grant the customer access to records, shall have the right to audit and reproduce Seller’s records including, but not limited to, Seller’s records: (a) in the event of cancellation, termination, or default; (b) in connection with any equitable adjustment request; (c) all records and other evidence sufficient to reflect properly all costs claimed to have been incurred or anticipated to be incurred directly or indirectly in performance of this contract; (d) where the
terms of this Order, law and regulation, or applicable standard, including the
AS9100, otherwise entitle Buyer and/or its customer to audit Seller’s records
and/or facilities, including the records and/or facilities of Seller’s assignees or subcontractors, if any; (e) in connection with internal investigations of alleged violations of law including the U.S. Foreign Corrupt Practices Act; or (f) any
type of litigation. Seller shall keep reasonably detailed records of all costs of the performance of this Order for a period of no less than four (4) years from the date of final payment or termination of any warranty or Item support under this
Order, whichever is later. Seller shall provide Buyer, Buyer’s Customer, and regulatory authorities access to all facilities involved in the Order and to all
applicable records.

8. BANKRUPTCY: If Seller enters into proceedings relating to bankruptcy, whether voluntary or involuntary, Seller shall furnish by certified
mail written notification of the bankruptcy to Buyer. This notification shall
include the date on which the bankruptcy petition was filed and the identity of the
court where the bankruptcy petition was filed.

9. BUYER’S RIGHT TO USE INFORMATION DISCLOSED BY SELLER: Unless otherwise expressly set forth in this Order or a separate
written agreement, Buyer shall have the right to use, for any purpose, information concerning Seller’s items, manufacturing methods or processes
which Seller has disclosed to Buyer prior to or during the performance of this
Order. In the event of a conflict between the terms of this Article and the terms and conditions of any separately executed and applicable Non-Disclosure Agreement between Buyer and Seller, the terms and conditions of the Non-Disclosure Agreement shall control.

10. APPLICABLE LAW AND DISPUTES:
(a) This Agreement, irrespective of the place of performance, shall be governed by, subject to, and construed in accordance with the laws of the State of Florida, excluding its choice of law rules, except that the federal common law of government contracts, as enunciated and applied by federal judicial bodies, boards of contracts appeals, and quasi-judicial agencies of the Government, shall be used to construe and interpret any U.S. Government contract clauses and certifications.
(b) Any disputes under this Order that are not disposed of by mutual agreement of the Parties may be decided by recourse to an action at law or in equity. Until final resolution of any dispute hereunder, Seller shall diligently proceed with performance of this Order as directed by Buyer.
(c) Seller consents to personal jurisdiction in the state of Florida and any litigation under this Order must be brought exclusively in a
court of competent jurisdiction in the state of Florida, without regard to conflicts of law principles. The Parties hereby mutually agree to waive their respective
rights to trial by jury. The rights and remedies herein reserved to Buyer shall be cumulative and additional to any other or further rights and remedies provided in law or equity. Subject to any specific clauses in this Order, Seller shall be liable for any damages incurred by Buyer as a result of Seller’s failure to perform its obligations in the manner required by this Order.

11. CHANGES AND EQUITABLE ADJUSTMENTS:
(a) Buyer may at any time and without notice to third parties, including sureties (if any), by written instructions from Buyer’s Representative to Seller, unilaterally make changes to these terms and conditions and/or in the Services to be performed or the Items to be furnished hereunder in any one or more of the following:
   (a) drawings, designs or specifications;
   (b) method of shipment or packing;
   (c) time and/or place of delivery, inspection or acceptance;
   (d) the quantity of Items ordered or Services to be performed;
   (e) the statement of work;
   (f) method or manner of performance of the work; and
   (g) property, facilities, equipment, or materials, to be provided under this Order.
(b) During performance of this Order, Seller shall not make any
changes in the Services to be performed or in the design of Items or manufacturing of Items to be furnished by Seller under this Order, including any changes to the process, manufacturing location, or use of suppliers, without advance notification to and written approval of Buyer. Items or Services that have been manufactured without prior notification and consent shall be nonconforming Items or Services under this Order. Changes shall not be binding upon Buyer, except when confirmed in writing by Buyer’s Representative. The issuance of information, advice, approvals, or instructions by Buyer’s technical personnel or other representative shall be deemed expressions of personal opinion only, and shall not affect Buyer’s and Seller’s rights and obligations hereunder, unless the same is in writing signed by Buyer’s Representative and which expressly states that it constitutes an amendment to this Order. If Seller considers that Buyer’s conduct constitutes a change, Seller shall notify Buyer’s Representative immediately in writing as to the nature of such conduct and its effect upon Seller’s performance.
(c) If any written change under this Article causes an increase or decrease in the estimated costs or the time required for performance of the Order, an equitable adjustment to the estimated cost, amount of any fee and/or delivery schedule may be made and the Order modified in writing accordingly, provided however, that any equitable adjustment in price to which
Seller may be entitled as a result of an increase in the quantity of Items or Services ordered shall not exceed the funded value or unit price established for such Items or Services herein.

(d) Any claim by Seller for adjustment must be asserted to Buyer within fifteen (15) days from date of Buyer issued change order. Seller’s claim for adjustment must be submitted in writing in the form of a complete change proposal, fully supported by factual information to Buyer’s Representative within thirty (30) days from the date Buyer issued the change order. Buyer may, in its sole discretion, increase the funded value and may consider any such claim regardless of when asserted, except that no claim for equitable adjustment shall be allowed after final payment. For any claims seeking an equitable adjustment or other relief in excess of $100,000 submitted by Seller under this Order, Seller shall submit to Buyer a signed certificate that states as follows, substituting Seller’s legal name where indicated:

“I certify that the claim is made in good faith; that the supporting data are accurate and complete to the best of my knowledge and belief; that the amount requested accurately reflects the Order adjustment for which [Seller] believes Buyer is liable; and that I am duly authorized to certify the claim on behalf of [Seller].”

If requested by Buyer, Seller shall identify that portion of its claim for which it believes the Government is liable and shall execute the certification above, substituting “the Government” for “Buyer” as to such amount. Buyer may submit Seller “pass through” claims against the Government at its sole discretion. In no event shall the Seller acquire any direct claim or direct cause of action against the Government.

(c) If Buyer and Seller are unable to agree upon an equitable adjustment in the event of any change directed by Buyer, the matter will be resolved in accordance with the disputes clauses of Article 10. Nothing contained herein, including failure of the Parties to agree upon any equitable adjustment to be made under this Article, shall excuse Seller from proceeding without delay with the Order as changed by Buyer’s written direction.

(f) In the event that Seller submits a claim to Buyer that satisfies the requirements of this Article, notwithstanding any other provisions in this Order, any decision of Buyer’s Customer under Buyer’s Government Contract which binds Buyer shall bind both Buyer and Seller to the extent that it relates to this Order.

(g) Nothing in this clause nor any authorization or offer that may be made shall be deemed to constitute acceptance or acknowledgment by Buyer of the validity of Seller’s claim or any part thereof, nor be deemed to limit or in any way to restrict Buyer from taking any actions, including available remedies, it deems appropriate to protect its own interests.

12. COMPLIANCE WITH FEDERAL, STATE AND LOCAL LAWS: Seller agrees to comply with all applicable national, state, provincial and local laws, orders, rules, regulations, and ordinances. Seller shall procure all licenses/permits, pay all fees, and other required charges and shall comply with all applicable guidelines and directives of any local, state and/or federal government authority.

(a) Buyer may proceed as provided for in subparagraph (c) below if, as a result of any violation of applicable laws, rules, regulations, ordinances, or this Order by Seller, its officers, employees, agents, suppliers, or subcontractors at any tier:

- (a) Buyer’s contract price or fee is reduced;
- (b) Buyer’s costs are determined to be unallowable;
- (c) any fines, penalties, withholdings, or interest are assessed on Buyer; or
- (d) Buyer incurs any other costs or damages.

(b) Buyer may also proceed as provided for in subparagraph (c) below where submission of certified cost or pricing data is required or requested at any time prior to or during performance of this Order, if Seller or its lower-tier subcontractors:

- (a) submit and/or certify cost or pricing data that are defective with notice of applicable cutoff dates; and
- (b) upon Buyer’s request to provide certified cost or pricing data, submit cost or pricing data, whether certified or not certified at the time of submission, as a prospective subcontractor, and any such data are defective as of the applicable cutoff date on Buyer’s Certificate of Current Cost or Pricing Data;
- (c) claim an exception to a requirement to submit cost or pricing data and such exception is invalid;
- (d) furnish data of any description that is inaccurate; or,
- (e) such data causes the U.S. Government to allege any of the foregoing, and, as a result:
  - (i) Buyer’s contract price or fee is reduced;
  - (ii) Buyer’s costs are determined to be unallowable;
  - (iii) any fines, penalties, withholdings, or interest are assessed on Buyer; or
  - (iv) Buyer incurs any other costs or damage.

(c) Upon the occurrence of any of the circumstances in subparagraphs (a) and (b) above, Buyer may make a reduction of corresponding amounts (in whole or in part) in the price of this Order or any other contract with Seller, and/or may demand payment (in whole or in part) of the corresponding amounts. Seller shall promptly pay amounts so demanded. In the case of withholding(s), Buyer may withhold the same amount from Seller under this Order.

(d) Additionally, upon occurrence of any of the circumstances in subparagraph (b) above, Seller shall be liable and shall pay Buyer at the time any overpayment is repaid: (1) simple interest on the amount of such overpayment to be computed from the date(s) of overpayment to Seller to the date Buyer is repaid by Seller at the applicable underpayment rate effective for reach quarter prescribed by the Secretary of the Treasury under 26 U.S.C. § 6621(a)(2); and (2) a penalty equal to the amount of the overpayment, if Seller knowingly submitted cost or pricing data which were incomplete, inaccurate, or non-current. Notwithstanding the remedies available to Buyer under this Article, Seller shall indemnify and hold harmless Buyer from and against any and all loss or damage, including Buyer’s costs, attorneys’ fees, and any penalties resulting from any and all determinations by Buyer’s Customer set forth in this Article.

13. COMPLIANCE WITH THE U.S. FOREIGN CORRUPT PRACTICES ACT: Seller warrants and represents that it is familiar with and will strictly comply with the requirements of the U.S. Foreign Corrupt Practices Act of 1977, as amended. Seller will not offer, pay or promise to pay, give, or authorize payment of any money or anything of value to any government or public official (including political parties, officials or candidates for political office) for the purpose of influencing any act or decision of such official in his official capacity, including failure to perform his official function. Seller agrees that no expenditures for other than lawful purposes will be made with respect to the performance of this Order.

14. GRATUITIES/KICKBACKS: No gratuities (in the form of entertainment, gifts, travel, or anything of value) or kickbacks shall be offered or given by Seller or by any agent, representative, affiliate, or subcontractor of Seller to any officer or employee of Buyer’s Customer or Buyer. This restriction specifically prohibits the direct or indirect inclusion of any kickback amounts in any invoices or billings submitted under this Order or any other agreement with Buyer. Buyer may, by written notice to Seller, immediately terminate the right of Seller to proceed under this Order if it is found that gratuities (in the form of entertainment, gifts, travel or anything of value) or kickbacks were offered or given by Seller, or by any agent or representative of Seller, to any officer or employee of Buyer’s Customer or Buyer.

15. CONFIDENTIAL RELATIONSHIP:

(a) Seller shall treat as proprietary and confidential all specifications, drawings, blueprints, nomenclature, samples, models and other information supplied by Buyer, except for any such information provided by the Government or to which the Government has other than unlimited rights, in which case Seller shall use and disclose the information in accordance with
applicable provisions and/or restrictive markings concerning Seller’s use and disclosure of such information. Unless the written consent of Buyer is first obtained, Seller shall not in any manner advertise, publish, or release for publication, including without limitation by news releases, articles, brochures, advertisements, or speeches, any statement mentioning Buyer or the fact that Seller has furnished or contracted to furnish to Buyer Items and/or Services required by this Order, or quote the opinion of any employees of Buyer. Seller shall not disclose any information relating to this Order to any person not authorized by Buyer to receive it. Seller shall use the information supplied by Buyer to accomplish work covered by this Order and for no other purpose. Upon completion, all information is to either be returned to Buyer upon Buyer’s written request or destroyed by Seller in which case Seller shall provide Buyer with a Certificate of Destruction. In the event of a conflict between the terms of this Article and the terms and conditions of any separately executed and applicable Non-Disclosure Agreement between Buyer and Seller, the terms and conditions of the Non-Disclosure Agreement shall control.

(b) Seller is expressly prohibited from communicating with Buyer’s Customer with respect to Buyer’s Government Contract and/or the Order without Buyer’s prior express consent. However, nothing in this Article shall be construed to restrict the discussion of day-to-day operational issues or any material matter pertaining to payment to or utilization of Seller. Any authorized communications, other than those expressly provided for herein, between Seller and Buyer’s Customer shall be conducted in the presence of Buyer’s Representative unless otherwise agreed by the Parties.

16. TERMINATION:

Buyer may terminate this Order for its convenience in accordance with FAR 52.249-6; except as otherwise noted, replace “Government” with “Buyer” and “Contracting Officer” with “Buyer’s Representative”.

(a) The settlement proposal shall be submitted to Buyer’s Representative within 30 days with full supporting documentation for all costs claimed.

(b) Audits and examinations of records, as required by Buyer, shall be performed by Buyer or an independent certified public accounting firm, mutually acceptable to Buyer and Seller. The cost of independent audits and examinations of records shall be paid by Buyer. Notwithstanding anything to the contrary, Buyer shall not be liable for special or consequential damages.

Applicable Procedures

(a) In the event Buyer partially terminates this Order, Seller shall continue the performance of this Order to the extent not canceled under the clauses of this Article.

(b) After receipt of notice of termination and upon Buyer’s direction, Seller shall stop work under this Order on the date and to the extent specified in the notice of termination, and shall transfer title and deliver to Buyer satisfactorily completed work and such work in process as directed by Buyer. Payment for completed Items delivered to and accepted by Buyer shall be at the price set out in the Order. Buyer may withhold from Seller moneys otherwise due Seller for completed Items and/or materials in such amounts as Buyer determines necessary to protect Buyer against loss due to outstanding liens or claims against such Items or materials.

17. DELAYS AND NOTICE OF LABOR DISPUTES:

(a) Seller shall not be liable for any delays in delivery caused by circumstances beyond its reasonable control including acts of God or of the public enemy, fire, floods, epidemics, quarantine restrictions, strikes or freight embargoes, provided that:

(1) Seller immediately gives written notice to Buyer of any difficulty or anticipated difficulty in meeting the delivery schedule set forth in the Order;

(2) Seller immediately gives written notice to Buyer of any actual or potential situation that is delaying, or threatens to delay the timely performance of the Order, including an actual or potential labor dispute; and

(c) the delay does not materially affect Buyer’s scheduling on any system or process.

(b) When any delays in delivery occur, Seller encounters difficulty in meeting performance requirements or Seller anticipates difficulty in complying with the delivery schedule or date, Seller shall immediately give notice thereof to Buyer. If requested by Buyer, Seller shall use additional effort, including premium effort, to avoid or minimize delay to the maximum extent possible. All of the costs of the additional effort shall be borne by Seller. The rights and remedies pursuant to this Article are in addition to rights and remedies provided to Buyer under this Order.

(c) Notwithstanding the above, in such delays extend for more than thirty (30) days from the delivery or performance date or threatens Buyer’s delivery commitments under its Government Contract, Buyer may terminate such part of this Order remaining to be performed without liability to Buyer except for the fair value of work already completed and accepted.

18. DELIVERY: Shipsments made pursuant to this Order must be shipped as specified in the Purchase Order. If Seller does not use Buyer’s specified carrier(s) and Buyer incurs additional freight cost as a result, such additional freight cost shall be Seller’s responsibility. Moreover, unless otherwise specified, Seller hereby agrees to the following:

(a) Buyer reserves the right to refuse shipments made in advance of the schedule set forth in this Order. If Seller tenders Items for delivery to Buyer in advance of the delivery date specified in Buyer’s delivery schedules, Buyer may, in its absolute discretion, either (i) refuse delivery, return early deliveries at Seller’s expense, and require re-delivery at Seller’s expense on the delivery date, or (ii) retain such Items and make payment in accordance with the original payment schedule in the Purchase Order regardless of the actual date of delivery. Seller bears the risk of loss of all Items delivered in advance of the delivery date specified in Buyer’s delivery schedules.

(b) Overshipment allowances require prior Buyer authorization, and will be applied to the entire Order. Unauthorized overshipments shall be returned to Seller at Seller’s sole expense. Seller has the right to deem overshipments uneconomical to return, relieving Buyer of responsibility to return or pay for the overshipment.

(c) Time is of the essence in Seller’s performance of the Order, and Seller shall deliver Items and Services by the delivery date specified in Buyer’s delivery schedules. If Seller tenders Items for delivery to Buyer after the delivery date specified in Buyer’s delivery schedules:

(a) Buyer may, in its sole discretion, refuse late deliveries.

(b) If Buyer agrees to accept deliveries after the contracted due date, the Parties agree that delays which are not excusable or mutually agreed upon shall be subject to liquidated damages of one percent (1%) of the total order value per day, up to a maximum amount of twenty-five percent (25%) of the Purchase Order value, for each day delivery or performance is delayed beyond the date set forth in the Schedule of this Purchase Order. Such liquidated damages shall be paid by Seller within sixty (60) days of Buyer’s acceptance of such deliveries. Buyer’s right hereunder to recover liquidated damages for Seller’s delayed performance is not an exclusive remedy for delay and shall be in addition to all other rights and remedies that Buyer has under this Order and at law and equity. The liquidated damages amount shall be subtracted from the line item value. If the delivery delay was as a result of any action taken on the part of Buyer, Seller shall notify Buyer in writing at the time the delay occurs and request that Buyer waive liquidated damages provided herein. Failure to notify Buyer will result in liquidated damages. Seller may not refuse shipment of said line item to avoid late delivery liquidated damages.

(c) If Buyer agrees to accept deliveries after the delivery date has passed, Buyer shall have the right to direct Seller to make shipments by the most expeditious means and the total cost of such expedited shipment and handling shall be borne by Seller.

(d) Acceptance of late deliveries shall not be deemed a waiver of Buyer’s right to hold Seller liable for any loss or damage resulting therefrom, nor shall it act as a modification of Seller’s obligation to make future deliveries in accordance with the delivery schedule set forth in this Order.

Seller, provided, however, that in any event Buyer may elect to arrange for the shipment of any non-conforming Items or Services without liability to Seller, provided, however, that in any event Buyer may elect to arrange for the shipment of any non-conforming Items or Services back to Seller at Seller’s expense. Seller will bear all risk of loss with respect to all non-conforming Items or Services, and will promptly pay or reimburse all costs incurred by Buyer to return, store or dispose of any non-conforming Items or Services. Buyer shall pay for such Items or Services at a reduced price which is equitable under the circumstances; or

(c) Seller shall not provide non-conforming Items or Services. Buyer shall have the right to reject any Items or Services or lots of Items which it determines are defective in material or workmanship or otherwise not in conformity with the requirements of this Order and to require their correction or replacement, or to provide other disposition direction for the non-conforming Items or Services. Rejected Items or Services shall be removed or if permitted or required by Buyer, corrected in place by and at the expense of Seller promptly after notice, and shall not thereafter be tendered for acceptance unless the former rejection or requirement of correction is disclosed. If Seller fails to promptly replace, correct, or remove such Items or Services or lots of Items which are required to be removed, Buyer may:

- (a) replace or correct such Items or Services and charge to Seller the cost occasioned Buyer thereby; or

- (c) cancel this Order, or any portion thereof, for default as provided in Article 16; or
- (d) exercise any other applicable rights or remedies.

(e) Buyer’s payment for any non-conforming Items or Services will not constitute acceptance by Buyer, limit or impair Buyer’s right to exercise any rights or remedies, or relieve Seller of responsibility for the non-conforming Items or Services. Buyer may require Buyer to accept non-conforming Items or Services, any costs incurred by Buyer testing, evaluating and manufacturing, relating to the design changes to any of the non-conforming Items or Services, shall be responsibility of Seller, and Seller may not pass any costs in relation to the design changes(s).

(f) If any inspection or test is made by Buyer and/or its customer on the premises of Seller or a lower tier subcontractor, Seller without additional charge shall provide all reasonable facilities and assistance for the safety and convenience of Buyer and/or its customer inspectors in the performance of their duties. In the case of rejection, Buyer shall not be liable for any reduction in value of samples used in connection with such inspection or test. All inspections and tests by Buyer and/or its customer shall be performed in such a manner as not to unduly delay the work. Buyer reserves the right to charge to Buyer any additional cost of inspection and test when Items or Services are not ready at the time such inspection and test was specified by Seller or when reinspection or retest is necessitated by prior rejection. Unless otherwise provided herein, final inspection and acceptance or rejection of Items or Services shall be made as promptly as practicable after delivery to Buyer’s...

In the event Seller discovers an Item or Service is non-conforming subsequent to performance or delivery, Seller shall promptly notify Buyer. Disposition shall be in accordance with paragraphs (c) and (d) of this Article.

(i) If, prior to or at the time of final acceptance or within the warranty period, it was known or should be known by Buyer that said Items or Services would not or did not conform to the requirements of this Order, final acceptance shall not be construed as a waiver of any rights Buyer may have with respect to the Items or Services purchased under this Order, notwithstanding the failure of Buyer to timely inform Seller of such nonconformance.

(j) Final acceptance by Buyer of the Items or Services provided hereunder shall take place only after complete delivery of all Items or Services in accordance with the delivery schedule specified herein or later agreed upon by the Parties in writing and after final inspection of those Items or Services by Buyer and Buyer’s Customer. Final acceptance shall be contingent upon agreement by Buyer and Buyer’s Customer that the Items or Services conform to the requirements of this Order. Final acceptance by Buyer shall be conclusive, except for latent defects, negligent or intentional misrepresentations by Seller that a nonconformity or defect would or had been cured or did not exist, acceptance induced by false or negligent assurances of Seller, or as otherwise provided in this Order or applicable law. Seller shall not consider acceptance to be Buyer’s Final acceptance until Buyer issues a Final Acceptance Document. Final acceptance by Buyer of the Items or Services delivered hereunder shall not limit or affect the warranty or indemnity granted by Seller hereunder.

Each shipment received from Seller shall be deemed to be exclusively upon the terms and conditions contained in this Order notwithstanding any terms and conditions that may be contained in any acknowledgment, invoice, correspondence or other documents of Seller, and notwithstanding Buyer’s act of accepting or paying for any shipment or similar act of Buyer.

24. NO WAIVER OF CONDITIONS: Buyer’s failure to insist upon or enforce strict compliance by Seller with any aspect of this Order shall not be deemed a waiver or relinquishment to any extent of any of Buyer’s rights; rather, the same shall remain in full force and effect. 25. PACKING: Unless otherwise specified in this Order, Seller shall be responsible for safe and adequate packing conforming to the requirements of carriers’ tariffs or, in the absence of such requirements, conforming to the best commercial practices. 26. PATENT/INTELLECTUAL PROPERTY INDEMNITY BY SELLER:
(a) Seller warrants that the Items and Services performed and delivered under this Order will not infringe or otherwise violate the intellectual property rights of any third party in the United States or any foreign country. For Items and Services delivered hereunder, Seller shall be liable for, defend, indemnify and hold harmless Buyer, and each subsequent purchaser or user thereof, from all loss or damage of any kind (including all costs and expenses including attorneys’ fees) arising out of any and all allegations, actions, proceedings, claims, or awards for any infringement, misappropriation, or wrongful use suit or action, including, without limitation, any proceeding under 28 U.S.C. § 1498, alleging that manufacture, use or sale infringes any patent, trademark, copyright, trade secret, mask work right or other proprietary or intellectual property right (collectively “Infringement Claim(s)” in connection with any Items, software or data furnished hereunder, whether such are provided alone or in combination with other Items, software or processes. Seller hereby agrees to defend any and all such actions, at Seller’s expense, if requested to do so by Buyer. If, however, the Infringement Claim arises as a necessary consequence of Seller’s compliance with Buyer’s drawings and specification, which describe that aspect of the Items and Services upon which the Infringement Claim is based, Seller shall have no obligation to indemnify Buyer.

(b) Seller and Buyer agree to notify each other in writing as soon as they become aware of a challenge of infringement or wrongful use in connection with any such Items, software or data furnished hereunder. Seller, if required to indemnify Buyer under this Article, shall promptly assume and diligently conduct the entire defense of such Infringement Claim at its own expense. Buyer shall have the right to reasonably reject counsel selected by Seller and the right to reject any settlement that would negatively impact Buyer as determined solely by Buyer. Buyer shall have the right to participate with
Seller in determining the strategy to defend any such suit or action, and shall have the right, with the permission of the court, to intervene in any such Infringement Claim.

(c) Notwithstanding any of the above clauses, Buyer shall have the further right, at its own election, to supersede Seller in the defense of any such Infringement Claim and thereafter to assume and conduct the same according to Buyer’s sole discretion. Upon Buyer’s election, Seller shall be released from its obligation to pay for attorneys’ fees and court costs. Further, Seller, if requested in writing by Buyer, shall cooperate with Buyer in Buyer’s defense of any alleged Infringement Claim.

(d) If the use or sale of Items or Services, in respect to which Seller indemnifies Buyer, is enjoined as a result of such Infringement Claims, Seller, at no expense to Buyer, shall obtain for Buyer and its customers, the right to use and sell said Items or Services or shall substitute equivalent Items or Services acceptable to Buyer and extend this patent indemnity with respect to such equivalent Items or Services. In the event that Seller is unable to secure such right of use for Buyer or its customer or to secure equivalent Items or Services as a substitute, Seller will indemnify Buyer and its customer for any and all losses or damages sustained by reason of such injunction.

(e) This indemnity and hold harmless shall not be considered an allowable cost under any clauses of this Order except with regard to allowable insurance costs. Seller’s obligation to defend, indemnify, and hold harmless Buyer and its customers under this Article 27 shall not apply to the extent FAR 52.227-1, Authorization and Consent, applies to Buyer’s Government Contract for infringement of a U.S. patent and Buyer and its customers are not subject to any actions for claims, damages, losses, costs, and expenses, including reasonable attorneys’ fees by a third party.

(a) Definitions:

   (a) Intellectual Property. Intellectual Property means inventions, discoveries and improvements, know-how, works of authorship, technical data, drawings, specifications, process information, reports and documented information, and computer software.

   (b) Background Intellectual Property.    (b) All Intellectual Property supplied to Buyer by Seller shall be disclosed to Buyer on a non-proprietary basis and may be used and/or disclosed by Buyer without restriction, unless:

   (a) otherwise required by the U.S. Government Regulations included in Item 2 hereto, or

   (b) Buyer has executed a separate agreement restricting the use and disclosure of such Intellectual Property.

   (c) Foreground Intellectual Property. Unless otherwise expressly agreed in writing to the contrary and subject to this Article 27 paragraph (g) below, all Foreground Intellectual Property developed exclusively with Buyer monies (i.e., development was accomplished entirely with monies paid by Buyer to Seller that are not subject to recovery by Buyer under a government contract) and not subject to this Article 27 paragraph (d) below is hereby assigned to Buyer and shall be proprietary to Buyer, shall be used by Seller only for purposes of providing Items or Services to Buyer pursuant to this Order, and shall not be disclosed to any third party without Buyer’s express written consent. All such Foreground Intellectual Property shall be promptly provided to Buyer on request or upon completion of this Order. Any work performed pursuant to this Order which includes any copyright interest shall be considered a “work made for hire.” The tangible medium storing copies of all reports, memoranda, or other materials in written form, including machine-readable form, prepared by Seller and furnished to Buyer pursuant to this Order shall become the sole property of Buyer.

   (d) Inventions. Subject to this Article 27 paragraph (g) below, any invention constituting Foreground Intellectual Property is hereby assigned to Buyer and all right, title and interest in such Foreground Intellectual Property. Seller shall execute all documents necessary to perfect Buyer’s interest in and title thereto, including, without limitation, assigning any and all right, title and interest Seller has in any such invention to Buyer. Seller shall ensure that any third party with whom Seller has subcontracted to deliver Items or Services, and Seller’s employees, also executes and assigns any and all rights, titles, and interest in any such invention to Buyer. Seller shall, within two (2) months after conception or first actual reduction to practice of any invention constituting Foreground Intellectual Property and prior to completion of the Order, disclose in writing to Buyer all inventions, whether or not patentable, in sufficient technical detail to clearly convey the invention to one skilled in the art to which the invention pertains. Seller shall promptly execute all written instruments, and assist as Buyer reasonably directs in order to file, acquire, prosecute, maintain, enforce and assign Buyer’s invention rights. Seller hereby irrevocably appoints Buyer and any of Buyer’s officers and agents as Seller’s attorneys-in-fact to act on Seller’s behalf and in Seller’s name, to the same legal force and effect as if executed by Seller, with respect to executing any such written instruments.

   (e) Seller-Owned Intellectual Property. Seller shall retain ownership of all Background Intellectual Property and of any Foreground Intellectual Property not assigned to Buyer pursuant to this Article paragraphs (c) and (d) (collectively, “Seller-Owned Intellectual Property”). Unless otherwise expressly agreed in writing to the contrary and in addition to U.S. Government’s Intellectual Property rights, Seller grants to Buyer an nonexclusive, irrevocable, sublicensable, paid-up, royalty-free worldwide right to make, have made, sell, offer for sale, use, execute, reproduce, display, perform, distribute (internally or externally) copies of, and prepare derivative works of any and all Seller-Owned Intellectual Property in the performance of its Government Contract or higher-tier contract obligations (including obligations of follow-on contract or contracts for subsequent phases of the same program).

   (g) Nothing in this Article 27 shall modify or alter any rights that the U.S. Government may have in any items or services, including technical data or computer software deliverables to the U.S. Government. Applicable Government procurement regulations incorporated into this Order dealing with subcontracts rights in Intellectual Property are not intended to, and shall not, unless otherwise required by applicable law, obviate or modify any greater rights which Seller may have previously granted to Buyer pursuant to prior agreements between the Parties.

28. ITEM SUPPORT:

Said support includes, but is not limited to, technical service and maintenance of Seller’s stock of subassemblies and spare parts as may be required to be ordered to support the operation of the Items.

If Buyer’s routing and shipping instructions are not attached to the Purchase Order or have not been previously received by Seller, Seller shall immediately request the instructions from Buyer. 30. **SUSPENSION OF WORK/STOP WORK ORDER**

(a) Buyer shall have the right to direct Seller in writing to suspend all or any part of the work for a period of time not to exceed ninety (90) days, and for any further period as the Parties may agree, unless extended by Buyer’s Customer. (c) Seller has reviewed the Order and that no person that it provides to perform any services included therein has any legal restrictions as a result of government service that would be pertinent to the Order that would prevent such person from reasonably performing the work contemplated (e.g., post-employment restrictions related to representing a company to the government, accepting compensation for these services or improperly using or disclosing non-public information in these duties);

(d) if this effort includes support for a competitive proposal, that no person Seller provides for performance of this Order will have worked on the same or a directly related effort for any company in competition with Buyer for this work; and

(e) Seller has taken reasonable steps to identify and prevent the conflicts referenced above related to Seller or the personnel Seller provides for performance of this Order.

ITEM 2 – FAR AND DFARS CLAUSES APPLICABLE IF THIS ORDER IS PLACED UNDER BUYER CONTRACT CONTAINING SUCH CLAUSES

In addition to the clauses of Item 1, the following clauses shall apply to the Order as required by the terms of Buyer’s Government Contract, by operation of law or regulation, or by the terms of the specific clauses. Buyer is flowing down to Seller certain provisions and clauses from the FAR and DFARS (all herein “USG Clauses”). These USG Clauses are hereby incorporated by reference, as applicable, and in the manner set forth below (including any parenthetical information regarding applicability, bracketed information regarding modifications to the USG Clauses). For certain USG Clauses, Buyer has provided parenthetical language describing the circumstances in which the USG Clauses apply to the Order. This parenthetical language may not encompass all situations where the USG Clauses apply and Seller is responsible for confirming whether the USG Clauses are applicable to the Order.

The effective version of the USG Clauses shall be the version in effect as of the date this Order is issued unless a different version appears in Buyer’s Government Contract, in which case the version in Buyer’s Government Contract applies. The Parties hereby agree to amend this Item 2 to include any additional or revised USG Clauses incorporated in Buyer’s Government Contract that are applicable to the performance of this Order. The Parties shall handle any such amendments of this Item 2 under Article 11 “Changes and Equitable Adjustments” of this Order. Seller shall flow down to its lower-tier subcontractors all applicable USG Clauses and any other requirements of this Order and applicable law so as to enable and ensure that Buyer and Seller comply with all applicable requirements of Buyer’s Government Contract.

It is intended by the Parties that these USG Clauses shall apply to Seller in such manner as is necessary to reflect the position of Seller as a subcontractor to Buyer, and to insure Seller’s obligations to Buyer and to the Government, and to enable Buyer to meet its contract obligations to the Federal Government. Consequently, in interpreting and applying USG Clauses flowed down to Seller, and as context requires, the terms “Contractor” and “Offeror” shall mean Seller, the term “Contract” shall mean this Order, and the term “Government”, “Contracting Officer” and equivalent phrases shall mean Buyer and/or Buyer’s Representative. However, as an exception to the foregoing, the terms “Government” and “Contracting Officer” do not change in the following circumstances: in the phrases “Government Property,” “Government-Furnished Property,” and “Government-Owned Property”; in the Patent Rights clauses incorporated therein, if any; when a right, act, authorization or obligation can be granted or performed only by the Government or a Contracting Officer or his/her duly-authorized representative; when title to property is to be transferred directly to the Government; when access to proprietary financial information or other proprietary data is required, except as otherwise provided in this Order; and where specifically modified in this Order.

USG Clauses flowed down by Buyer to Seller pursuant to Item 2 may require submission of certificates. All such required representations and certifications made by Seller in connection with flow down of USG Clauses, including all such certifications submitted by Seller with its offer, are hereby incorporated in this Order by reference. Seller shall, with respect to applicable USG Clauses flowed down pursuant to this Item 2, furnish to Buyer (or directly to the Government upon request of Buyer) any certificate required to be furnished by any USG Clause and any certificate required by any further U.S. law, ordinance, or regulation with respect to Seller’s compliance with the terms and provisions of U.S. laws, ordinances, or regulations. As used in this paragraph, the word “certificate” shall include any plan or course of action or record keeping function, as, for example, a small business subcontracting plan for which flow down is required.

Seller shall indemnify and hold Buyer harmless from and against any price reduction in Buyer’s Government Contract, as well as Buyer’s reasonable attorneys’ fees and other direct costs to defend Government Contract claims when said reduction is attributable to the failure of Seller or Seller’s subcontractors to seek payment only of allowable costs and to properly discharge applicable duties under the Truth in Negotiation Act and Cost Accounting Standards clauses incorporated by reference in accordance with this clause.
